THE WHITE HOUSE CONFERENCE FOR A DRUG FREE AMERICA

OFFICE OF THE CHAIRMAN

The Honorable William Webster
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Judge Webster, *Bill*

STAT On 1 July 1987, [redacted] a senior CIA physician, was detailed to the White House Conference For A Drug Free America for one year. I want you to know what an outstanding contribution he is making to our efforts, and how much I enjoy working with him and having him as a member of the Conference staff.

STAT Initially, [redacted] served as the advisor to the Conference on medical issues related to drug abuse, providing assistance to myself and my immediate staff as well as to the staff of the ten committees established within the Conference. However, he took on a significantly expanded role in coordinating and overseeing the work of these committees which proved very helpful in managing this complex undertaking on very tight timetables. He also accepted responsibility for organizing a series of Town Hall meetings during our regional conferences which were very successful and well received. Finally, I am depending on his continued contribution to the preparation of our final report to the President and Congress.

STAT In all, [redacted] has been a exemplary member of our staff. His commitment to our efforts and willingness to contribute in any way necessary are a credit to him and to the CIA, and I want to thank you for having made him available to us.

Sincerely,

Lois
